

## Story UFC-100: Transaction Import Fast Adjustments

The following document will go over the design of the Transaction Import Fast Adjustments feature, as outlined in Story ticket UFC-100.

**Note: This story was completed under a separate ticket as part of the Redesign. As such, this design document is no longer relevant.**

### Acceptance Criteria

For reference, the following are the acceptance criteria for this ticket:

- I want to be able to quickly change the type of multiple transactions at once.
- I want to be able to quickly change the date of multiple transactions at once.
- I want to be able to quickly change the description of multiple transactions at once.
- I want to be able to quickly change the amount of multiple transactions at once.
- I want to be able to quickly assign accounts to multiple transactions (of the same type) at once.
