

Story UFC-303: No Account Mode

The following document will go over the design of 'no account mode', aka using the app without an account, as outlined in Story ticket UFC-303.

Acceptance Criteria

For reference, this ticket primarily addresses acceptance criteria 10 of [Epic UFC-145: Offline First](#).

Additionally, it handles all tasks of [Phase 4: Going Fully Offline](#) except the last 2 (creating an account for a no-account user, and the demo account), since those are separate stories.
